To Whom It May Concern:

This is a letter of recommendation regarding Stacey Glenewinkel.

I met Stacey last March at a Portland Chapter meeting of the Counselors of Real Estate. I have had the opportunity to meet and correspond with her several times since, in an effort to counsel her as to opportunities in real estate-oriented fields.

I have been in commercial real estate for 36 years, having been a lender, borrower, developer, broker, consultant, landlord, tenant, and real estate loan investor. I have served on a local City Council, Planning Commission, Design Review Board, Boundary Commission, and Historical Landmarks Commission over a period of twenty years.

I have had the pleasure of mentoring many students and peers over these many years. Stacey stands out significantly. She is driven, enthusiastic, very bright, rather experienced, an excellent communicator, and I am confident she will greatly succeed in our field because of her drive and interest in the real estate industry.

I invite you to call me or email me for additional comments. I am excited to recommend Stacey to those who are interested in adding her talent to their organization.

Sincerely,

Robert M. Dant
